FRENCH CAVALRY BRIGADE

French generals may be allocated up to 2 command tokens.

French brigades may reroll one failed command roll per turn when the player is active.

French infantry have a +1 bonus to their firing if within 4"/10cm of the enemy target.

French machine guns have an additional -1 penalty to activate to fire if they have already activated this turn

When calculating a Mounted Cavalry Bonus, count the morale markers inflicted as one higher (e.g. 3 inflicted counts as 4)
